You need to submit this form if you:

- are married on the date that your retirement benefit becomes effective and you select:
 - the Full Benefit payment option, or
 - any other option and do not designate your spouse as your beneficiary.

Instructions:

After you notify your spouse that you have not named him or her as your service retirement beneficiary, ask your spouse to certify this by having him or her complete the **Spousal Certification Section**, below.

If you are not able to get your spouse's certification, you can complete the **Retiree Certification Section**, certifying that you notified your spouse.

Whether you or your spouse sign this form, it must be signed in the presence of a notary, duly notarized and returned to MainePERS. We must receive this notarized form before we can process your retirement application.
