

MainePERS Board of Trustees Charter

Adopted: March 9, 2023

Every Trustee is a fiduciary for the System's members and beneficiaries. As such, Trustees are expected to participate fully in all Board business and in their assigned roles on the Board. Trustees are expected to maintain current knowledge on issues facing the system. Trustees must be able to devote the time necessary to fulfill the commitments of good stewardship, fiduciary duty, and others delineated by Maine law. (*Board Policy 1.4*) Accordingly, the Board of Trustees has adopted this charter which sets out the Board's principles, duties, and oversight responsibilities for the governance of MainePERS and its programs.

Board Principles

The Board will govern with an emphasis on outward and future vision, strategic leadership, encouraging diverse viewpoints and collective decision-making. The Board will maintain a clear distinction between Board and management roles.

In order to govern under these principles, the Board commits to:

- Promoting group responsibility while using the individual experience of members to enhance the proficiency of the Board as a body;
- Directing, controlling and inspiring the organization through broad written governance policies focused on long-term outcomes that reflect the Board's values and perspectives;
- Governing itself with excellence, allowing no individual Trustee to hinder or be an excuse for not making collective decisions or fulfilling its commitments;
- Continuing Board development including orientation of new Trustees in the Board's governance process and periodic Board discussion of governance improvements; and
- Monitoring and discussing the Board's process and performance through annual self-evaluations. (*Board Policy 1.1*)

Board Duties

The Trustees of the System, both collectively as the Board and individually, have a fiduciary duty imposed by the Constitution of Maine, statutes, and common law. The members of the Board of Trustees are trustees of the funds of the System and have a fiduciary obligation to administer the System and the funds under the System's control solely in the best interests of the members as beneficiaries of pension and related benefits.

It is the obligation of every Trustee to conduct themselves in a manner that promotes public confidence in the integrity, impartiality, professionalism and ethical behavior of the system in its relations with retirees, beneficiaries, members, employers, the public, staff and outside providers of goods and services.
