Maine PERS

Earnable Compensation

Exclusions:

- Payments in lieu of benefits
- Reimbursements/allowances
- Retirement incentives
- Interest payments
- Bonus payments

Timing Matters:

Payments should be made within the same contract year or calendar year during which the work was performed

If the payment isn't on the list of exclusions, is being paid in the year the work was performed,

AND it is a payment for income/wages (i.e., services rendered)
